Marine Minerals: Sodium, Potassium, Hydrocarbonate, Calcium and Magnesium among others.

## *Marine Minerals*

### THE INNER SEA

Millions of years ago, the sea offered an optimal environment for the formation of life, and therefore us humans. Our maritime heritage remains evident to this day, due to the amazing similarity of the mineral composition of seawater to our blood plasma and lymphatic fluids. These correlations were discovered already at the beginning of the 20th century and are still very relevant in the cosmetic world today.

The mixture of trace elements and mineral salts in the seawater is well known to our body and therefore extremely well absorbed and tolerated by our skin. This natural mechanism facilitates the absorption of vital substances into the deeper layers of the skin. The knowledge of this basic principle is the foundation of our product philosophy. DALTON Marine Cosmetics – inspired by the sea.

Algae

Shell

Seawater

Plankton

Oyster

Caviar

Contains: essential fatty acids (Omega 3, 6, 9), vitamins (A, B, C, E), proteins, amino acids, lecithins, lipids, mineral nutrients and trace elements

## *Celumer Marine Extract*

ANTI-AGING IN PERFECTION

Marine minerals are combined with five particular marine active ingredients to become a holistic composition. Our Celumer Marine Extract provides the cells with a natural supply of vital substances to nourish and protect the skin. Its rejuvenating effect has been scientifically proven.

An independent biophysical and dermatologically controlled study\* proves that the Celumer Marine Extract achieves the following after just four weeks:

- **48%** increase of hyaluronic acid for a multiple boost of the skin's moisture levels. The skin appears plump and supple.
- **43%** increase of collagen for an intense strengthening of the connective tissue. The skin appears firmer and more youthful.
- **19%** increase of cell activity for an improved cell metabolism. The skin appears vitalized and refreshed.
- **17%** increase of UV protection due to strengthened cells. Counters oxidative stress and premature skin aging.

\* Performed on participants between 47 and 62 years of age. Application of the Celumer Marine Extract twice daily for a period of four weeks. Examination of the test samples in comparison with the untreated control. The study was carried out in vivo.

# Celumer Marine Extract

## THE ACTIVE PRINCIPLE: THE FOUR PHASES OF BEAUTY

### PHASE 1

#### PHASE 1: ACTIVATION & DETOXIFICATION

For a fresh complexion

Cell metabolism is stimulated. Harmful substances are removed from the cells.

### PHASE 2

#### PHASE 2: SUPPLY & PROTECTION

For a healthy skin appearance

More vital substances can now be absorbed, leading to the strengthening of the skin's protective barrier and support of the skin's natural immune system.

### PHASE 3

#### PHASE 3: CELL COMMUNICATION & CELL BALANCE

For an even and balanced skin appearance

Cell communication is increased and leads to an optimized nutrient supply for the skin. The cell and its environment are now in balance. Deficiencies are corrected more effectively.

### PHASE 4

#### PHASE 4: REGENERATION & CELL RENEWAL

For a firm and youthful skin appearance

The skin cells now have time for regenerative processes. They preventively protect themselves against the consequences of extreme strain and at the same time produce an increased amount of healthy, new cells.

The Celumer Marine Extract is proprietary knowledge of DALTON MARINE COSMETICS. Due to its extraordinary rejuvenating effect, this extract is included in all DALTON anti-aging products.

## UNIVERSAL PRODUCTS FOR YOUR PERSONAL SKINCARE ROUTINE

For further information how to combine DALTON products and their recommended sequence of usage, please refer to the DALTON Skincare Routine Step-by-Step Guide on page 67.

## Universal Care

FOR THE BEAUTY OF YOUR SKIN

The exclusive DALTON Universal products may be used on its own or in combination with any other DALTON product line. Depending on the product type the basis of our universal skincare is:

- The **CELUMER MARINE EXTRACT** composed of six interactive ingredients to rejuvenate, replenish and protect the skin

OR:

- The **MARINE MINERALS** which contain trace elements and minerals from the depths of the world's oceans to facilitate the absorption of vital substances into the deeper layers of the skin

## Classic Clean

### EYE MAKE UP REMOVER

A gentle, oil-based 2-phase eye make-up remover to thoroughly cleanse the eye area while nurturing the skin. Removes even waterproof eye and lip make-up.

## Classic Clean

### NORMAL SKIN – FOAMING FACE WASH GEL & REFRESHING TONER

The Cleansing Gel is enriched with trace elements and minerals from the sea, for a quick and effective cleansing of normal skin. It has a pleasant, fruity fragrance and leaves the skin feeling soft and clean without drying it out. The Tonic is able to restore the skin's pH balance after cleansing, to protect the skin from drying out.

## Classic Clean

### SENSITIVE SKIN – GENTLE CLEANSING MILK & SOOTHING TONER

Gentle Cleansing Milk for highly sensitive skin. It is fragrance-free and especially well tolerated by the skin. Cleanses thoroughly and effectively removes make-up and dirt residue. The Tonic prevents irritations and restores the skin's natural pH value. It is free of fragrance, artificial colorants and alcohol and especially suitable for sensitive skin.

## *Comfort Clean*

**NORMAL SKIN – MOISTURIZING CLEANSING MILK & ANTI-AGING TONER**

The soft Cleansing Milk replenishes the skin with moisture and lipids to satisfy the special needs of mature skin. High-quality lipids offer gentle, yet effective cleansing without drying the skin out. The high-quality anti-aging Tonic for normal and mature skin restores the skin to its natural pH level after washing.

## *Comfort Clean*

**SENSITIVE SKIN – GENTLE CLEANSING FLUID & GENTLE ANTI-AGING TONER**

The gentle cleansing fluid is ideal for cleansing sensitive skin. Its light and soft texture with marine minerals and soothing sea silt for a deep cleanse leaves the skin feeling calm and balanced. The balancing anti-aging Tonic provides a calm complexion after cleansing and prepares the skin for your daily skincare routine.

## *Premium Clean*

**FOAM CLEANSER & HYDRATING ANTI-AGING TONER**

Luxurious, silky-soft Cleansing Mousse that contains marine minerals and trace elements from the sea and is enriched with crystallized sea foam. It is suitable for all skin types. The luxurious, firming anti-aging Tonic penetrates deeply into the skin, where it reaches its full effect. It is suitable for all skin types.

## Comfort Clean

**AHA PEEL 20%, PH 4,2**

This gel-textured AHA (alpha hydroxy acids) exfoliant provides an effective way to remove dead skin cells and smooth the skin's relief, leaving the skin soft to the touch. It restores the acid mantle of the skin and enhances collagen production. Can be used once or twice a week or as an intensive treatment 2-3 times a week over a period of 4 weeks.

## Classic Clean

**AHA EXFOLIATING PADS, AHA 4%, PH 3,2**

Pre-soaked AHA Peeling Pads with a mild formulation of AHAs (alpha hydroxy acids) to gently remove dead skin cells, refine the complexion and moisturize the skin – for a bright and beautiful complexion with glow effect. The AHA Peeling Pads help to reduce the appearance of pores, clarify the skin and make it look smooth and radiant. If used regularly, they improve spots, blackheads, clogged pores and underground pimples.

## Lip Care

**NOURISHING LIP BALM**

Moisturizing lip balm for dry and chapped lips. Proven to promote the production of collagen and hyaluronic acid.\* For soft and protected lips.

\*In-vitro test after 24 h.

## Comfort Clean

### GENTLE FACE SCRUB

The soft, creamy Exfoliating Scrub with silica granules gently removes dead skin cells. This mechanical exfoliant will improve the complexion and supply dry and stressed skin with intensive hydration.

## Comfort Clean

### ENZYME PEEL POWDER STICKS

This fine peeling powder provides a gentle, yet effective way to refine your skin complexion. It contains enzymes that gently remove excess oil and dead skin cells. The Enzyme Peeling is suitable for all skin types.

Ref.: 56 540 52

Ref.: 56 517 50

## Face Care

### CLARIFYING BEAUTY MASK

The Beauty Mask refreshes the skin and improves its metabolism. Its balancing ingredient, witch hazel, clears the skin and provides for an immediate firming effect. As a result, the skin looks visibly more radiant and the complexion is improved.

## Face Care

### HYDROGEL LIFTING EYE PATCHES

Fragrance-free eye patches for beautiful bright eyes after a long night or as a quick boost throughout the day. They instantly reduce the look of crow's feet and fine lines in the eye area.

## Face Care

### SMOOTHING EYE GEL

The unique applicator makes it easy to apply the Eye Gel and also has a pleasant cooling effect. It eliminates the first signs of crow's feet and dry lines, leaving a fresh and radiant complexion.

## Face Care

### CAVIAR & GOLD MASK

Our Celumer Marine Extract, an extra dose of caviar and pure gold form a unique combination to boost the skin's natural regeneration process and improve skin elasticity. The nourishing face mask with marine collagen smooths the skin and leaves a radiant finish.

## Face Care

### HYDRO LIFT EXPRESS MASK

Our BioCellulose Mask offers perfect hydration and nourishment while being easy and comfortable to use. It contains a complex of plankton extract, which reduces wrinkle depth by up to 16% after just one application. The face appears firmer, fine lines and wrinkles are filled from the inside and the skin is left looking smooth and plump.

## Face Care

### BUBBLE MASK

When the sheet mask is placed on the face, it feels bubbly and tingly, dense foam begins to envelope the face. The face mask foams up when it is exposed to air, which makes it easier for the active ingredients to penetrate the skin. Delicate oxygen bubbles help to loosen up and remove dead skin cells. As a result, the skin is revitalized and feels much more supple - for a fresh appearance with glow effect.

## Face Care

### ANTI-BLEMISH SHEET MASK

Refreshing Bio Cellulose Express Mask to help improve blemish-prone skin. Marine Minerals combined with marine peptides, cucumber extract and tea tree oil provide an overall clearer appearance of blemish-prone skin and a matte, healthy looking complexion.

Ref.: 56 532 50

## Face Care

### NECK & DÉCOLLETÉ CREAM

This cream has a very light texture that is quickly absorbed and minimizes little lines in the neck and décolleté area. It provides an attractive push-up effect to make the décolleté a real eyecatcher.

Ref.: 56 515 50

Light, cool skin tones

Medium, warm skin tones

Sand Ref.: 56 513 50

Ivory Ref.: 56 513 51

Ref.: 66 52 250

## Face Care

### ENZYME SERUM

The gel-textured Serum dissolves keratinized skin cells and dry areas on the skin's surface – effectively, yet very gently. For a smooth and refined complexion. Rough and cracked skin gets proper moisture and benefits greatly from the long-term use of this Enzyme Serum.

## Face Care

### ANTI-AGING BB CREAM

The BB Cream moisturizes the skin, covers redness and discolorations and conceals little wrinkles. The result is a flawless complexion that highlights the beauty of your skin. The BB Cream feels wonderfully pleasant on the skin. It adapts perfectly to all light skin tones and is very easy to apply.

## Caviar Deluxe

### CAVIAR ANTI-AGING AMPOULES

Highlight concentrate of valuable ingredients to promote younger and firmer looking skin. Vital nutrient supply for demanding skin.

Ref.: 80 539 51

Ref.: 80 530 51

Ref.: 80 530 52

## Body Care

### ANTI-AGING BODY BUTTER

The soft Body Butter provides dry skin with intense moisture and abundant lipids for a tender-melting sensation. The exquisite combination of lipids nourishes the skin and protects against moisture loss. Our Body Butter has a sensuous fragrance and leaves the skin feeling smooth and soft.

## Body Care

### HYALURONIC ACID BODY LOTION

This nourishing Body Lotion moisturizes, firms and smoothes the skin, leaving it soft and supple all day. Thanks to its light creamy texture, the Moisturizing Emulsion is quickly absorbed without feeling greasy and leaves the skin with a pleasant, fresh fragrance.

## Body Care

### Q10 BODY LOTION

Thanks to its powerful, efficient formula, this sensually fragrant Body Lotion provides for silky-soft skin. It contains pearls of active ingredients, which supply tired and stressed skin with the coenzyme Q10 – for noticeably suppler and firmer skin.

Ref.: 80 50 350

## Body Care

### GINGER-SEA SALT BODY SCRUB

Oil based body scrub with natural sea salt and ginger to remove dead skin cells. Delights the senses with an exquisite fragrance and leaves the skin silky-soft and moisturized.

Ref.: 80 53 952

## Body Care

### ANTI-CELLULITE SPRAY

The powerful properties of our Celumer Marine Extract and the Body Contouring Complex have been shown to improve the cellular metabolism. They stimulate the energy metabolism and help to get rid of waste products. The skin becomes smoother and firmer as a result.

Ref.: 81 51 250

## Hand Care

### ANTI-AGING HAND CREAM

Brightening anti-aging hand cream with brown alga and Vitamin B3. Nourishing oils leave dry and rough hands feeling soft and smooth. The Celumer Marine Extract helps to firm the skin and boost the moisture level. Fast absorbing without being greasy.

Ref.: 81 540 50

Ref.: 81 510 50

Ref.: 81 515 50

## Hand Care

### HAND CREAM

The rich Hand Cream supplies the skin with intense moisture and leaves the skin incredibly soft. It promotes skin regeneration and makes chapped and dry hands elastic and supple again. The cream is quickly absorbed without feeling greasy, and it leaves the skin smooth and soft.

## Foot Care

### REGENERATING FOOT CREAM

The rich Foot Cream pampers rough and callused skin with intense care. It restores suppleness to cracked feet, regenerates the skin and protects it against environmental influences. The creamy texture is quickly absorbed, without leaving a sticky feeling. For smooth and silky-soft feet.

## Hand & Foot Care

### ANTIBACTERIAL NAIL & CUTICLE OIL

This highly concentrated Oily Essence was designed to meet the specific needs of hands and feet. It nourishes the nails and softens strained and rough skin, especially on the feet. It contains tea tree oil, which has anti-inflammatory characteristics and prevents athlete's foot and nail fungus.

## Sun Care

### SUN CREAM UVA/UVB SPF 50+

The cream with SPF 50+ has a surprisingly light texture, but still offers the most excellent sun protection. It provides a reliable supply of moisture and does not leave an unpleasant film on the skin. The skin receives long-lasting protection from harmful UVA and UVB rays, as well as plenty of moisture and nutrition.

## Sun Care

### SUN SPRAY UVA/UVB SPF 30

This light sun care fluid with SPF 30 offers effective sun protection for all skin types. It comes in a practical pump dispenser, which makes it easy to apply to all parts of the body. Thanks to its light formulation, the product is quickly absorbed without leaving a film, and supplies dry skin with nutrients and intense moisture.

## Sun Care

### AFTER SUN BODY LOTION

This body lotion keeps the skin optimally moisturized after sunbathing. The delicate lotion cools and refreshes the skin and provides it with the regenerative benefits of blue algae. The skin appears visibly plumper and your tan looks healthy and beautiful.

**ANTI-AGING CARE**  
SKINCARE AT THE HIGHEST LEVEL

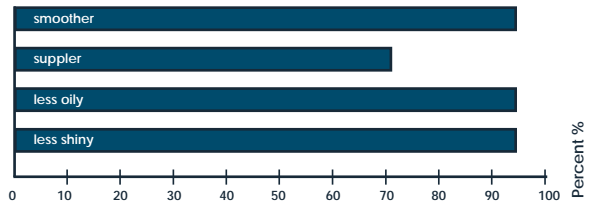

# Oyster

## PORE-REFINING AND MATTIFYING SKINCARE CONCEPT

For the OYSTER line the Celumer Marine Extract is enriched with an extra portion of oyster, oyster shell and wild pistachio oil to minimize the appearance of pores and promote a matte complexion. Especially suitable for large pores and combination skin.

### MATTIFYING EFFECT

Interviews of female test subjects reveal that the skin feels

Test design: 44 women between the age of 30 and 52 years, application of active agent on face in the morning and evening, compared to untreated skin over a period of 28 days.

## COMBINATION SKIN MOISTURIZER

This balancing Cream minimizes the appearance of large pores, regulates sebum production in the T-zone and clears skin blemishes. It features a precious oyster extract that provides a mattified and refined complexion.

## MATTIFYING MASK

The Oyster Mask has an antibacterial and anti-inflammatory effect. Thanks to its unique texture, it is also able to provide plenty of moisture. The oyster extract supplies the skin with minerals and reduces oily shine – the skin looks refreshed and mattified.

## PORE-REFINING CONCENTRATE

This concentrate of active ingredients reduces enlarged pores in the oily areas of combination skin in the long-term. It gently removes oily shine and provides a lasting mattified complexion. The Concentrate can be used on just the T-zone or the entire face.

# Q10

## SKINCARE CONCEPT FOR MORE VITALITY AND RADIANCE

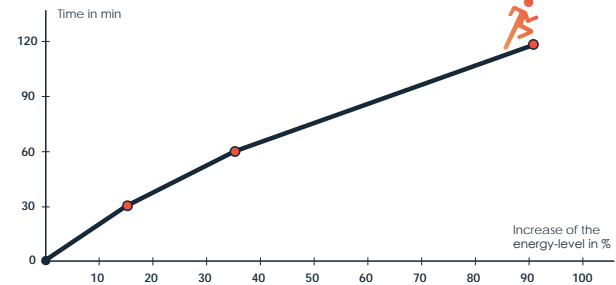

Thanks to the highly effective combination of the Celumer Marine Extract and Q10, a natural coenzyme that activates the cell metabolism, this skincare line offers more radiance and vitality. At the same time, it protects the skin cells from free radicals to prevent premature skin aging.

### STUDIES

Studies\* have proven that the skin's energy levels are up to 90 % higher than normal just two hours after applying Q10.

\*In-vitro study on fibroblasts. Increased ATP synthesis after the addition of Q10 over time versus control medium without Q10.

After 30 minutes +15% | After 60 minutes +35% | After 120 minutes +90%

## Q10 CREAM Q10 CREAM LIGHT TEXTURE

The energizing Cream with nourishing jojoba oil provides tired and stressed skin with necessary lipids and long-lasting moisture. The Emulsion is the lighter alternative to the Cream. Its energizing, creamy texture with lipids and moisture makes dull and stressed skin appear radiant once again. The small, red Q10 pearls reach their full potential when they are gently massaged into the skin.

Depending on the skin's needs, season and climate, you may switch between Cream and Cream light texture.  
The concentration of active ingredients is identical in both products.

## Q10 SERUM

This gel-textured Serum lays the proper groundwork: It provides thirsty skin with moisture and the coenzyme Q10 for cell protection. Its Q10 pearls promote cell regeneration and provide intensive nourishing care in the deeper layers of the skin. The Serum intensifies the effect of the Cream and Emulsion and enhances the vitalizing properties of this skincare collection.

## Q10 EYE CREAM

One drop of the refreshing Eye Cream is enough to supply the sensitive, thin skin around the eyes with ample Q10, vitamin E and moisture. Little wrinkles are visibly reduced, the delicate skin of the eye contour area can recover and regain a fresh, dynamic appearance.

## Q10 CREAM MASK

This refreshing Cream Mask feels pleasant on the skin and is easy to apply. It provides stressed and weak skin with nourishing almond oil, olive oil and vitamin E and replenishes the skin's moisture reservoirs. It also contains Q10 pearls that improve cell protection and enhance the cellular metabolism.

## Q10 AMPOULE

This Ampoule offers a boost in cell nourishment and new energy with immediate effect. The refreshing concentrate of active ingredients is quickly absorbed by the skin, where it reaches its full vitalizing effect – dull skin is provided with new energy and a fresh, radiant complexion.

## *Hyaluronic Urea*

SKINCARE CONCEPT FOR INSTANT AND SUSTAINABLE REHYDRATION

For the HYALURONIC UREA line, the Celumer Marine Extract is enriched with the intensely moisturizing active agents Hyaluronic Acid and Urea for a firm and refreshed skin appearance. Particularly suitable for dry skin.

**Short-chained and long-chained Hyaluronic Acid:** The use of both forms of Hyaluronic Acid ensures that not only the skin's surface but also the deeper layers of the skin are supplied with plenty of moisture.

**Urea:** Natural moisturizing factor of the skin that strengthens the cells' connections and consequently helps to maintain the skin's inner moisture. Additionally, Urea provides for an especially firm skin feeling.

### ANTI-AGING HYDRATING CREAM/ CREAM LIGHT TEXTURE

The Cream is rich in lipids and provides immediate hydration whilst helping to build long-lasting moisture reservoirs in the skin and balancing the skin's water levels. The Emulsion is light in texture and ideal for the summer season. It is quickly absorbed and provides an instant, visible kick of freshness – dry wrinkles don't stand a chance.

Depending on the skin's needs, season and climate, you may switch between Cream and Cream light texture. The concentration of active ingredients is identical in both products.

Ref.: 62 510 50

### ANTI-AGING HYALURONIC ACID SERUM

This fine, gel-textured Serum increases the moisturizing effect of the Cream and Emulsion. It replenishes the skin's moisture reservoirs with exceptional speed and makes the skin appear plump and fresh. The Serum is the perfect basis for Cream and Emulsion.

Ref.: 62 514 50

Ref.: 62 515 50

### ANTI-AGING HYDRATING AMPOULE

The Ampoule contains a highly dosed concentrate of active ingredients to provide for maximum moisture benefits. It can be used once a week or daily as an intensive course of treatment over a couple of days. The concentrate provides an immediate plumping effect – ideal for special occasions where you would like to shine with an overwhelmingly radiant complexion.

Ref.: 62 522 50

## *Soul*

INSPIRING SKINCARE CONCEPT FOR MORE WELLNESS AND BEAUTY

The SOUL collection is an inspiring skincare concept that pampers the skin and soul with the best active ingredients from the Orient and Occident.

The products of this line are scented with an aromatic fragrance and have either a vitalizing and smoothing or a harmonizing and balancing effect. Each texture is enriched with three exotic active ingredients, an exquisite oil component and our exclusive Celumer Marine Extract. For visibly more balance and well-being and a fresh appearance.

## VITALIZING ANTI-AGING CREAM

This cream with a silky light texture provides the skin with intensive care, hydration and elasticity. The beauty cream has a pleasant, delicate fragrance, is quickly absorbed and plumps little lines and wrinkles from the inside. For a visibly refreshed and revitalized appearance.

## GLOW FACE OIL

This luxurious oil serum with glow effect is like balm for the soul. The 2-phase oil firms and nourishes the skin with precious exotic extracts. Luxurious oils give a soft glow to face and décolleté. The oil serum can also be mixed with the Vitalizing Cream or the Harmonizing Cream & Mask.

## HARMONIZING ANTI-AGING CREAM

The velvety, nourishing cream can be used as a rich day cream, a night cream or a mask. It has a soothing effect on stressed skin prone to redness and leaves the skin feeling calm and relaxed.

# Extreme Lift

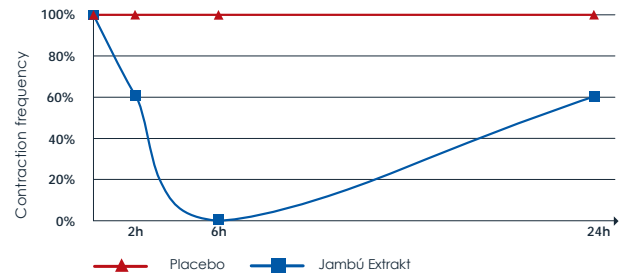

SKINCARE CONCEPT FOR AN IMMEDIATE VISIBLE SMOOTHING OF WRINKLES

For the EXTREME LIFT line, the Celumer Marine Extract is enriched with Jambú Extract, a herbal extract that relaxes the facial muscles for immediately visibly smoother skin. The natural Botulinum substitute is especially suitable for mature skin.

## MUSCLE RELAXATION

The reduction of muscle contractions in the treated area begins immediately after application of the Jambú Extract and increases constantly until it reaches its full effect after **6 hours**. After 24 hours, the Jambú Extract still maintains 40% of its relaxing effect on the mimic muscles.

Test design: Test on a nerve muscle co-culture while counting muscle contractions. The efficacy study was carried out in vitro.

## ANTI-WRINKLE CREAM

The rich, smoothing Cream with an immediately visible anti-wrinkle effect alleviates pronounced expression lines and stress-induced wrinkles in the short and long term. Ideal to provide stressed skin with a smooth and firm appearance every day.

## ANTI-WRINKLE SERUM

This velvety, intensively plumping Serum with an immediately visible anti-wrinkle effect adds additional active ingredients power to intensify the effect of the Cream. It promotes the relaxation of facial muscles and enhances the smoothing effect of this skincare collection.

Ref.: 64 517 50

Ref.: 64 518 50

Ref.: 64 521 50

## ANTI-WRINKLE EYE CREAM

The soft, creamy texture of the EXTREME LIFT Eye Cream was specially designed for the very demanding eye area. It has a visible smoothing effect, even on pronounced eye wrinkles and crow's feet. The eye area appears much more smooth and relaxed.

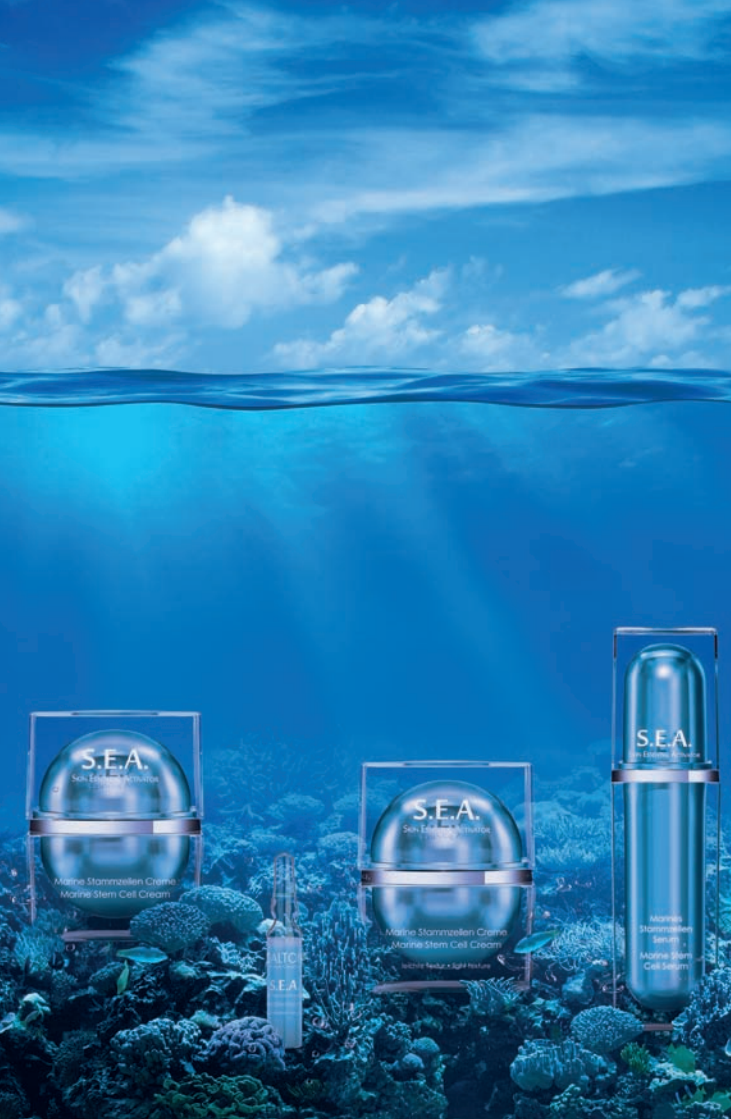

## ANTI-WRINKLE FACE MASK

Used once or twice a week, the lifting and smoothing Mask with immediate anti-wrinkle action enhances the lasting effect of this lifting collection. It soothes and nourishes stressed skin and prepares it optimally for the subsequent care.

## ANTI-WRINKLE AMPOULE

The ampoule contains a highly dosed concentrate of active ingredients. It can be used once a week or daily as an intensive course of treatment over a couple of days. The ampoule's effect on relaxing the mimic muscles is strongest after six hours; after 24 hours it still has 40% of its relaxing effect.

*S.E.A. - Skin Essential Activator*  
LUXURIOUS SKINCARE CONCEPT FOR STEM CELL PROTECTION AND  
STIMULATION

The extract of the sea plant *Crambe Maritima* offers highly effective protection for the human skin stem cells and stimulates the formation of new and fresh cells as well as the skin's synthesis of collagen.

Due to their wrinkle plumping and enhancing effects, the products of the S.E.A. line can be used for mature skin and as pre- and post-operative skincare before and after cosmetic procedures.

Sustainable, systematic anti-aging care – S.E.A. the effect!

Ref.: 65 510 50

Ref.: 65 514 50

## MARINE STEM CELL CREAM/ CREAM LIGHT TEXTURE

The silky Cream is ideal for mature skin that needs a potent skin care regime. The exclusive composition of our Celumer Marine Extract and Crambe Maritima revitalizes the stem cells in the deeper layers of the skin. The emulsion is lighter in texture and is quickly absorbed. For defined facial contours and a dynamic complexion.

Depending on the skin's needs, season and climate, you may switch between Cream and Cream light texture. The concentration of active ingredients is identical in both products.

Ref.: 65 515 50

## MARINE STEM CELL SERUM

This potent gel-textured Serum has a deep-penetrating effect. It is very quickly absorbed, protects the stem cells in the basal layer of the epidermis and stimulates cell renewal in mature skin. The Serum hydrates the skin and supports moisture production, which makes it an ideal basis for the Cream or Emulsion.

Ref.: 65 521 50

## MARINE STEM CELL AMPOULE

The Ampoule contains highly dosed active ingredients that support cell renewal and fight skin aging in the deepest layer of the epidermis. The concentrate supplies demanding skin with potent marine extracts and vitamin E in order to reduce lines and wrinkles. Suitable for pre- and post-operative skin care before and after cosmetic procedures.

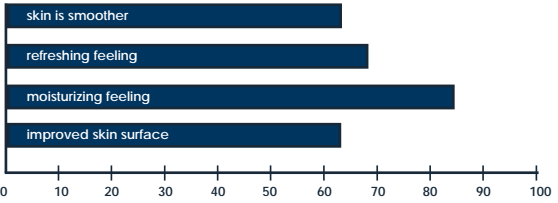

# Deep Sea

SKINCARE CONCEPT FOR EFFECTIVELY AND DEEPLY NOURISHED MEN'S SKIN

For the DEEP SEA line, the Celumer Marine Extract is additionally enriched with the intensively moisturizing, nourishing and firming active agents blue algae and deep sea water for a strengthened and youthful skin.

## BLUE ALGAE (KLAMATH LAKE)

- **63%** found their skin to be smoother
- **68%** experience a refreshing feeling
- **84%** confirm a moisturizing feeling
- **63%** say the skin surface is improved

Test design: Consumer evaluation, 40 probands, application twice a day, during 21 days

## HYDRATING MOISTURIZER

The Moisturizing Balm provides the skin with intensive hydration and strengthening nutrients. It remineralizes demanding men's skin and provides optimal care, even in the deeper layers of the skin. The Balm is quickly absorbed without leaving a film on the skin.

## MATTIFYING MOISTURIZER

The Fluid is especially suitable for oily skin with enlarged pores. It neutralizes oily shine and nourishes the skin with its high amount of marine minerals and other nutrients. It refreshes the skin and is quickly absorbed.

## EYE ROLL-ON

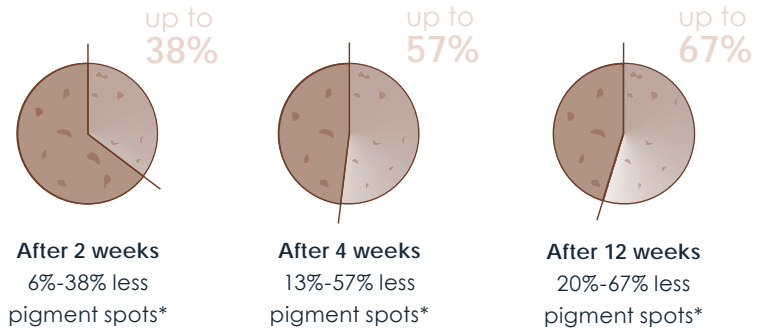

The cooling Eye Gel contains minerals and nutrients to strengthen the skin. It has a decongestant, soothing effect and vitalizes the area around the eyes. It is very quick and easy to apply thanks to the Roll-on Stick. An instant boost of freshness for tired eyes.

## Bright Perfection

SKINCARE CONCEPT TO PREVENT AND REDUCE PIGMENTATION SPOTS FOR AN EVEN SKIN TONE

BRIGHT PERFECTION stands for a radiant, but especially even complexion. The three products of this line were especially developed to minimize the size, intensity and amount of pigment spots and therefore enable everybodys wish of an even complexion.

\*in vivo test after 56 days: applied 2 times per day by 25 women between 40 and 65 years of age with pigment spots on the cheek area

Ref.: 76 511 50

## ANTI-PIGMENTATION WHITENING DAY CREAM SPF 50

The Protective Day Cream with SPF 50 prevents the formation of UV-induced pigmentation spots, while brightening active ingredients reduce existing hyperpigmentation – for a bright and even-toned complexion.

Ref.: 76 512 50

## ANTI-PIGMENTATION WHITENING NIGHT CREAM

The nourishing anti-aging night cream provides the skin with powerful active ingredients to reduce hyperpigmentation and promote a bright and even-toned complexion. Fine lines are plumped out.

Ref.: 76 515 50

## DARK SPOT CORRECTING SERUM

The highly concentrated anti-aging serum reduces pigmentation spots and prevents future hyperpigmentation – for a bright and even-toned complexion. The skin's moisture levels are replenished and fine lines are smoothed out.

## COSMECEUTICALS

PROBLEM SOLVERS FOR VARIOUS SKIN CONCERNS

## Derma Control

SKINCARE CONCEPT FOR BLEMISHED AND ACNE-PRONE SKIN

Our DERMA CONTROL collection combines marine minerals with marine peptides that are obtained through modern biotechnology. The peptides have antibacterial properties and improve the general skin condition in a natural way. They prevent inflamed blemishes from developing, minimize pimples and reduce redness caused by pimples without irritating or drying the skin. Marine peptides support the skin's natural ability to heal itself and thus accelerate the healing process of existing breakouts.

\*Test design: 30 test persons with acne types 1 and 2, between 13 and 27 years of age. Application twice daily for 4 weeks. The study was done in vivo.

## PURIFYING CLEANSING MILK

Proper cleansing is essential for skin that tends to be dry and prone to breakouts. The antibacterial Cleansing Milk clears the skin and prevents it from drying. It thoroughly removes all traces of make-up, dirt and environmental pollutants. Ideal for the complex needs of seborrhoea sicca (dry skin with blemishes).

## PURIFYING CLEANSING GEL

The first step to blemish-free skin is proper cleansing. The Cleansing Gel has a pleasant texture that effectively clears all traces of harmful pollutants, excess sebum and make-up. The active ingredients promote a long-lasting clear complexion for seborrhoea oleosa (oily skin with blemishes).

## PURIFYING TONER

Rinsing the face with water disrupts the skin's pH levels, which can lead to a range of negative side effects. The Purifying Tonic cleanses the skin and restores the skin's acid mantle. The Tonic clears the skin and prevents the formation of new blemishes. Formulated without alcohol, so it will not dry the skin.

## ANTI-BLEMISH MOISTURIZING CREAM

The Cream has a delicate, non-greasy texture that is quickly absorbed. It moisturizes and balances dry skin with blemishes, the so-called seborrhoea sicca. Active ingredients like hamamelis and salicylic acid help to reduce enlarged pores and address the unique needs of acne-prone skin.

## ANTI-BLEMISH MATTIFYING GEL

The lightweight, fast-absorbing Mattifying Gel is a perfect product for very oily skin with blemishes, the so-called seborrhoea oleosa. Its non-greasy texture is formulated with kaolin to immediately reduce oily shine without drying the skin. Hamamelis helps to minimize enlarged pores and vitamin A protects the skin against the harmful effects of free radicals.

## SOS ANTI-BLEMISH CONCENTRATE

You should try to get rid of pimples and breakouts before they even get the chance to spread and become more painful. The Spot Concentrate is formulated with camphor, a potent antibacterial ingredient that provides immediate relief in healing blemishes. Additionally, panthenol has a powerful soothing effect on inflamed skin.

## *Sensitive Care*

SKINCARE CONCEPT FOR VERY SENSITIVE, ALLERGY-PRONE SKIN

Our SENSITIVE CARE collection combines marine minerals with the well-tolerated and highly effective SKIN REPAIR FORMULA consisting of three potent plant extracts. Blackcurrant relieves inflammation and protects against oxidative stress. Balloon vine restores balance to troubled skin and soothes irritation. Sunflower extract reinforces the skin's natural barrier. For visibly calmer and protected skin.

\*Test design: 34 test persons with permanent skin discomfort and an impaired skin barrier. Application of test sample for 14 days. The study was done in vivo.

## SOOTHING CREAM LIGHT

The lightweight, fragrance-free cream protects very sensitive combination skin that is prone to irritation. It alleviates skin troubles and leaves a calm complexion without redness or irritation. Its light texture nourishes the skin without feeling greasy. The Cream Light soothes and strengthens stressed and sensitive skin – perfect as a light summer cream or for sensitive men's skin after shaving.

## SOOTHING CREAM MEDIUM

The fragrance-free cream with a supple, nourishing texture protects very sensitive, dry and easily irritated skin. It is gently absorbed into the skin and leaves the skin feeling nourished and moisturized. The Cream Medium can be used both in the morning and/or evening to soothe stressed and sensitive skin. For a balanced, strengthened and calm complexion.

## SOOTHING CREAM RICH

The particularly rich, velvety cream protects very sensitive, extremely dry and easily irritated skin. The fragrance-free formulation offers intense nourishment, replenishes the skin with lipids and alleviates skin troubles like redness and cracked skin. The Cream Rich is perfect to soothe stressed and sensitive skin overnight. Based on your individual needs, it can also be used as a day cream during the cooler months.

## HYPOALLERGENIC EYE CREAM

The gentle, fragrance-free Eye Cream is especially formulated for sensitive and hyper-sensitive skin. Its delicate texture is quickly absorbed and offers excellent nutrition. It does not contain oils that 'creep' into the eyes. The nourishing Eye Cream soothes the extremely delicate and fragile skin around the eyes. It restores cracked skin and leaves a balanced and calm complexion.

## Redness Control

SKINCARE CONCEPT FOR COUPEROSE SKIN PRONE TO REDNESS

For the REDNESS CONTROL line, marine minerals are combined with a highly effective complex of herbs that reduces redness in the long term and prevents the appearance of visible blood vessels. Butcher's broom and horse chestnut strengthen and stabilize the vessels. The extracts of licorice and Asiatic pennywort have an antioxidant and anti-inflammatory effect. Marigold extract soothes the skin and makes it supple and soft. In addition to these medicinal herbs, yeast extract prevents irritation and strengthens the skin's natural protective barrier.

**34,8 %**

reduction of redness\*

**20,7 %**

telangiectasia less visible\*

\*Test design: Subjects with visible couperose; Application of an emulsion formulation versus a placebo (half-face study) for 14 days. The efficacy study was carried out in vivo.

## ANTI-REDNESS CREAM LIGHT

The delicately fragrant, pleasantly light texture of this cream is very quickly absorbed and is especially suitable for oily skin and combination skin with weak capillaries. It has an astringent effect which strengthens the capillaries and reduces redness. The complexion is visibly calmer and more even-toned.

## ANTI-REDNESS CREAM MEDIUM

This velvety cream reduces redness and strengthens the capillaries. It nourishes and strengthens normal and dry skin and provides for an intense moisturizing effect. As a result, the complexion is visibly calmer and more even-toned.

## ANTI-REDNESS CREAM RICH

This rich cream promotes the regeneration of very demanding, dry skin and strengthens its resilience. It reduces redness and irritation, protects the skin and provides a rejuvenated appearance. As the cream is very rich in lipids, it serves as a protective coat in cold weather. Also ideal as a night cream.

## ANTI-REDNESS MASK

This gentle cream mask offers intensive care for couperose skin. It helps irritated skin and skin prone to redness to recover their balance and effectively relieves irritations. It contains healing chalk from the island of Rügen, which supports the anti-inflammatory and regenerative effect of our 5-herbs-formula and accelerates the metabolism.

## ANTI-REDNESS CONCENTRATE

This light, oil-free concentrate of active ingredients can easily be combined with other products of the REDNESS CONTROL collection or any other DALTON product line. Apply a few drops to the affected areas of the face. The active ingredients stabilize the capillaries, reduce redness and have an anti-inflammatory effect. Afterwards, apply a face cream as usual.

## ANTI-AGING COUPEROSE SERUM

This intensive serum with our Celumer Marine Extract benefits demanding skin that is prone to redness along with a unique anti-aging effect. It has been shown to reduce lines and wrinkles as well as skin redness. The serum contains little shimmer pigments that provide a soft-focus effect and redness is immediately visibly reduced.

**PRE-AGING**  
SOLUTIONS FOR YOUNGER SKIN

## *Blue Essentials*

TO PROTECT YOUNG SKIN

Say NO to digital aging and environmental stress! Marine minerals, red algae and brown algae are your allies in the fight against digital aging! The basis of all products in the Blue Essentials range is our unique Skin Shield, to defend against blue light and urban pollution and protect your cells down to the deepest layers of the skin.

## SKIN CHARGER

NIGHT RECOVERY CREAM

Nourishing and recharging face cream with blood rain algae. Helps the skin recover from inner stress and environmental aggressors overnight and supplies the skin with beneficial lipids, without leaving a sticky film.

## ALL EYES ON YOU

BRIGHTENING EYE CREAM

Eye Cream with biopterin helps to reduce the appearance of eye bags and a tired looking eye area. Miracle effect pigments soften and cover dark circles for brighter and energized looking eyes. Oligo alginate fights the effects of environmental influences and blue light exposure on your skin.

## SKIN GUARDIAN

DAY PROTECTION CREAM

Pleasantly lightweight cream with phytoplankton to help protect your skin from smog and blue light exposure. Leaves the skin feeling soft and mattified, without drying it out.

# #ALGAESKINFOOD

- ✓ Acts just like fluid powder
- ✓ Up to 8h less shine without dry skin
- ✓ Superfood alga and moisture boosting hyaluronic acid ensure a velvety skin feeling

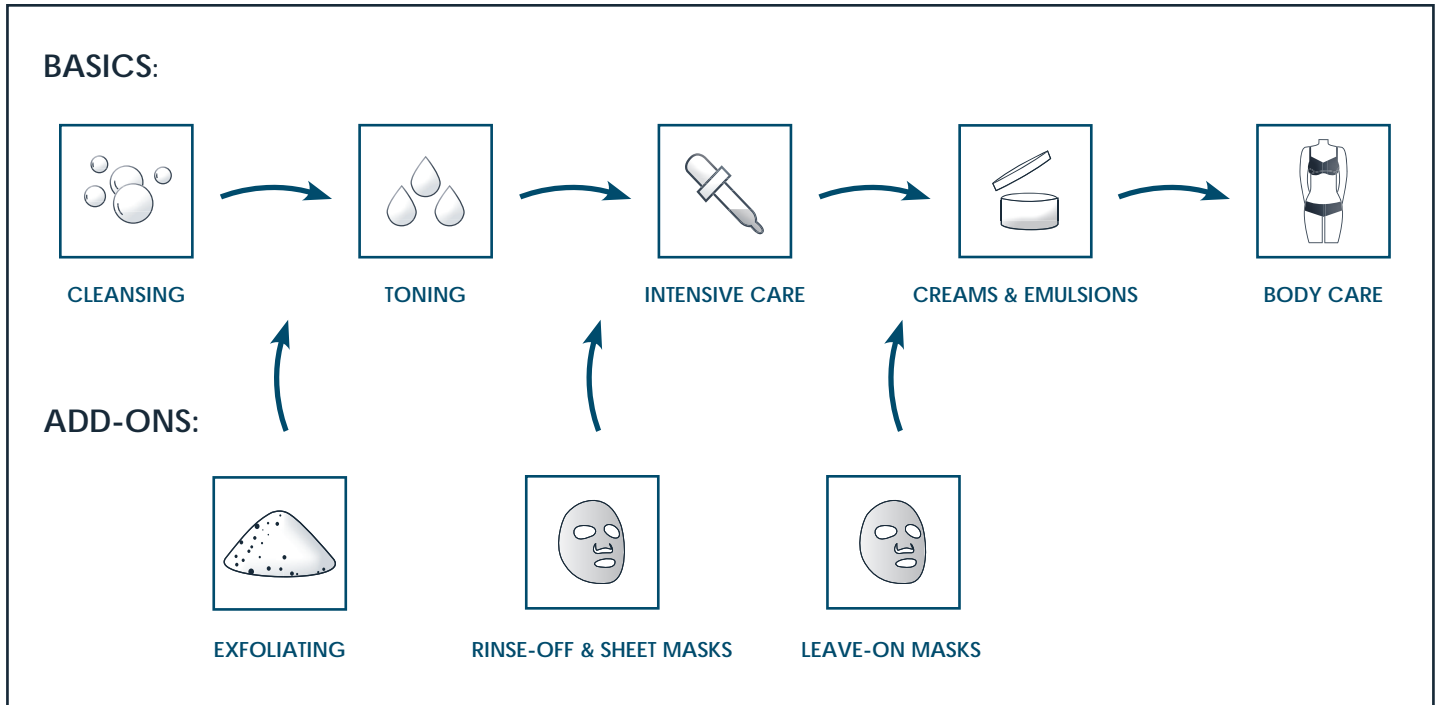

Caution: Turn the ampoule upside down and shake it for approx. 20 seconds

Superfood: Single celled green alga (Micro alga)

# Dalton Skincare Routine

STEP-BY-STEP GUIDE FOR BEAUTIFUL RADIANT SKIN

# 1 *Cleansing*

You should pick a cleansing product that suits your skin type. Cleansing is essential to every good skincare routine, as you need to get rid of make-up, dirt, sweat and other residues to pave the way for additional products to absorb and work more effectively.

# 2 ADD-ON *Exfoliating*

Exfoliators with enzymes, alpha-hydroxy acids (AHAs) or fine granules can help to make the skin smooth and soft again. Use once or twice a week to see an immediate improvement in your complexion. Exfoliating also helps to refine pores and reduce small wrinkles, pigmentation disorders and even scars.

# 3 *Toning*

Tonics have two important functions: Removing any residue that is left on the skin after cleansing, and moistening the skin to increase the effectiveness of products applied afterwards. They are also able to reinforce the skin's acid mantle.

# 4 ADD-ON *Rinse-off* & SHEET MASKS

Masks are great if you want to achieve visible results within a very short time. Rinse-off masks are perfect to clarify the skin. They leave a wonderful deep cleaned feeling. Rinse-off masks are applied after cleansing/exfoliation and rinsed off afterwards.

# 5 *Intensive* CARE

Ampoules, serums and concentrates provide the skin with highly concentrated, deep-penetrating active ingredients. They can be used to boost the effect of your skincare cream or to address any other special needs your skin might have.

# 6 ADD-ON *Leave-on* MASKS

Leave-on masks can be left on the skin to be completely absorbed, or optionally removed with a cosmetic tissue. Apply a mask once or twice a week to give your skin a much-needed boost or a fast fix for all kinds of beauty emergencies.

# 7 *Creams*

To ensure that your skin is well protected and well nourished, you should always use an eye cream, followed by a cream or cream light texture that suits your skin type.

Depending on the skin's needs, season and climate, you may switch between Cream and Cream light texture. The concentration of active ingredients is identical in both products.

# 8 *Body* CARE

There are various products like body lotions or our Anti-Cellulite Concentrate that can help you achieve the results you desire. Use these products daily or whenever you feel necessary, so your skin stays soft all over, all while reaping anti-aging benefits as well.
